Stephanie...in accordance with the May 20, 2009 Letter of Warning (LOW) for the former SECO Products SSDS Installation requesting weekly progress reports, below please find a listing of the SSDS activities completed/performed during the weeks of August 17 and 24, 2009 associated with the Site:

- 1) Began installation work associated with sub-slab piping for Alignment A, B, K, and L on August 17, 2009.
- 2) Finished installation work associated with sub-slab piping for Alignment B and L on August 28, 2009.
- 3) Colt still having some difficulty in getting tenant at new facility to move out in a timely manner. Will check-up on status periodically.

Activities planned the week of August 31, 2009:

- 1) Finish installation work associated with sub-slab piping for Alignment A and K. Expected remaining work to include replacement of concrete flooring.
- 2) Check-up on status of column protector fabrication.
- 3) Discussions with building lessee associated with update on anticipated schedule for move out.

Should you have any questions or comments please do not hesitate to contact me.

Regards,

Alan J. Cork, P.E.
